**Re: Georgia Mountain Community Wind Project, PSB Docket No. 7508
Request for Board Approval to Proceed with Construction**

Dear Mrs. Hudson:

Please accept this letter on behalf of Georgia Mountain Community Wind (“GMCW”), urging the Board to complete its review and approve all outstanding post-CPG, pre-construction filings in the above-referenced docket. As explained in previous requests, GMCW must accomplish 5% of the project’s construction before the end of 2011 in order to obtain funds available under the American Recovery and Reinvestment Act of 2009 (“ARRA”). GMCW implores the Board to issue an order this week confirming that GMCW has complied with the CPG requirements and authorizing commencement of construction activities so that GMCW may avail itself of the Federal funds that are vital to the project’s success.

Thank you in advance for your attention to this matter. Please contact me should you have any questions.

Respectfully Submitted,

Kane H. Smart
